

Chair proposal

I am the building manager and in order to speed this meeting up please read this proposal:

I am going to make a proposal tonight that the Post spend \$1058.00 on 50 new chairs.

The Ladies Auxiliary has already donated \$1058.00 for 50 new chairs that you are sitting on and I want to buy 50 more. I intend to try to pay the Ladies Auxiliary and American Legion back this money.

Some ideas are:

To dedicate a chair in Memory or Honor of a loved one or personalize a chair for yourself. And we are also excepting donations of any amount.

The American Legion intends to run a macaroni dinner put on by Ernie Goulet. Tickets will be announced in the near future. All proceeds will be donated to the chair fund.

I will also be running a 50/50 raffle at every meeting.

I will be selling old chairs at trade lot, yard sale and to anyone else for \$4.00 per chair. Great lawn furniture for a cheap price.

I am collecting aluminum cans or any other metal you may have.

These are some of the ideas to pay back until the Auxiliary and Post recoup some of the money. The total amount is \$2116.00.

Please bring empty aluminum cans to every meeting and I will pick them up if you can't bring.
