

## Wreaths Across America

In 1992, Worcester Wreath Company of Harrington, Maine found themselves with an excess of wreaths nearing the end of the holiday season. Efforts to do something special with those wreaths began in earnest. With the help of many, arrangements were made for the wreaths to be placed at Arlington National Cemetery. This has continued yearly.

In 2006, in response to thousands of e-mails and letters, Worcester Wreath expanded its wreath donations nationwide. With the help of the civic organizations and many individuals, ceremonies were held simultaneously at 230 locations. From the snow banks of Alaska to the sands of Iraq our Nation's heroes were honored. From here Wreaths Across America™ was born.

*In 2022, with the help of thousands of corporate/civic sponsors and volunteers, over 2,000,000 wreaths will be donated and placed on veteran resting places at over 3000 participating locations.*
