

American Legion Post No. 48 Chesnee, SC

On April 14, 2011, Post No. 48 had three special guests at our regular meeting

State Commander Cecil Phillips

State Vice Commander Gary Mitchell

District Commander Sam Cox

to present an award to Post No. 48 Commander Cliff Jones.

This plaque was presented to Commander Cliff Jones because Post No. 48 achieved 102.9% of the assigned membership goal in District 8. This is the first time in many years that the Post met or exceeded the 100% membership goal. We are the ONLY Post to meet our membership goal in District 8. The closest competitor was Post No. 270 Woodruff with 96.43%. This achievement is the direct result of the hard work performed by our officers: Commander Cliff Jones, Vice Commander Harold Turner, and Adjutant Terry Brown. Congratulate our officers the next time you see them.

Prior to the formal meeting, a delicious meal consisting of salad, spaghetti with meat balls, and various deserts was enjoyed by all. Left - Helen Moore is shown preparing the food for the meal. It seems clear that member Larry Chase is enjoying the meal. We very much appreciate Helen and Mary Lattimore for their effort in preparing meals for our meetings.

The Post Pistol Range has developed into a very nice facility. Various members of the post under the supervision of Larry Chase (Range Committee Chairman) have worked to make this a range you can be proud of. Bring your children, grand children, spouse, and friends to the range to enjoy pistol shooting. Members of the Post can request a key to the gate from Larry Chase (461-3897) or Dan Codespoti (461-3668). This allows you to drive in and park close to the shooting area. Range rules are posted and Post members are asked to carefully abide by the rules. Be a good example for non-members using the range. We currently (April 2011) have 30 paid range key holders. Their dues provide needed funds to maintain the range. If you see anyone violating range rules at any time, please write down their license plate number and call Larry, Dan, or Jack Wiggins (461-8836) to report the information. We must do this to ensure that our legal liabilities remain manageable.

Left – Connell Scruggs one of Post 48’s WW II veterans.

Right – Roger Darby and Terry Brown are having a heavy discussion about the desert.
